

Baltimore Style Appliqué by Machine

Supply List

Sewing Machine- Blanket stitch used

Don't forget your foot pedal and power cord!

Open Toe Appliqué Foot- a must for machine appliqué

(sometimes called an open toe embroidery foot)

Scissors- small embroidery type, good for precise cutting of appliqué pieces

Sewing Machine Needles- 80/12 sharp (Schmetz brand called Microtex sharp)

Paper Backed Fusible Web- 1 yard

I use Soft Fuse and will have this for purchase in class. Please do not bring Heat and Bond products or Lite Steam a Seam 2 or Steam a Seam 2 (Lite Steam a Seam is fine)

Spray Starch (I use Best Press, Niagra or Faultless original weight)

Iron and small ironing board (one for every 4-5 students)

Extension cord/multi-plug strip

Basic Sewing Supplies- pencil, pencil sharpener, fabric marking pencil, hand sewing needle, straight pins, small tweezers.

Bring if you have- circle templates.

Fabric- 100% cotton (I pre-wash and press)

Background fabric- one 15" square and one 8" square

Starch both squares before coming to class.

Appliqué fabric- variety of fabrics for flowers and leaves
(fat quarters will work, approx. 8-10 fabrics)

Thread- 100% cotton in colors to match appliqué

Sue's favorite threads for machine appliqué include Mettler 50/3ply cotton and King Tut 40/3ply cotton.

*Sue will have some Soft Fuse paper backed fusible web and some King Tut Tone on Tone threads available for purchase in class.
